

Visit a Native American boy

This imaginary journey will take you to an Indian village, where you will meet a Native American boy. He decides to go for a walk into the forest near his village. There he has a frightening encounter with a bear chasing him into the depths of the forest. After escaping from this dangerous situation, he decides to climb up a mountain in order to enjoy the silence, the beautiful sunset and the breathtaking view.

Unknown vocabulary:

wriggling = sich schlängeln
